

Terms and Conditions

Acceptable Behavior Policy:

For a safe and fun environment, participants are expected to behave in an acceptable manner and use appropriate language. We encourage kindness, idea sharing, and positivity! Aggression or bullying is not tolerated. It is important to remember there are no refunds if a participant is asked to leave the program due to unacceptable behavior.

Accommodations:

If you would like to speak with someone to determine if our program is a good fit for your child, please contact us at 800-968-4332 a minimum of **8 weeks** prior to the start date of the program. If 1:1 assistance is requested, we will provide you with a form to submit any necessary information then work with you to identify reasonable accommodations if available. While a request cannot be guaranteed, all accommodation inquiries will be reviewed for safety and program integrity.

Participants should have the basic skills to be self-sufficient, adhere to the behavior policy and be willing to participate in the imaginative, creative process with peers. We produce a high-energy experience that at times can be noisy and highly stimulating. Children will rotate rooms and Instructors throughout the day for each activity, which can vary from a typical single-classroom/teacher setting. Please keep in mind locations hosting summer/after-hours programs do not have the same personnel/tools available as during the school year.

*Nurses, special education assistants, aides, etc., are not on site unless a parent arranges an approved accommodation beforehand based on their individual child needs.
